

## Operation Aviation Foundation OAF Nevada - Summer Aviation Camp - Fallon Launch

Where learning takes off and future aviators are born.

### Take Flight This Summer

This summer, from **Jun 17, 2026** – **Jun 19, 2026** Operation Aviation Foundation ("OAF") takes flight once more, offering an unforgettable hands-on aviation and STEM experience that blends science, technology, leadership, and the thrill of flight. Designed for curious and adventurous youth, the camp invites participants to step into the shoes of aviators, engineers, and explorers through a mix of classroom instruction, flight simulations, and real-world aviation challenges.

### What Campers Will Do

- Learn how airplanes achieve lift and how pilots navigate.
- Explore careers in aviation and aerospace with real professionals.
- Participate in interactive STEM workshops and small-group projects.
- Fly a discovery flight with a Certified Flight Instructor.
- Train in a realistic flight simulator.

- Complete team missions that build communication, decision-making, and problem-solving—core traits of every successful pilot and aviation leader.

## New for 2026: Fallon Expansion

The new Fallon edition, launching for the first time this summer, connects campers with the rich aviation heritage and resources around Naval Air Station Fallon and the Nevada Air Guard. This unique location lets campers see how modern aviation operates in real training and defense environments. The Fallon program adds special modules in drone technology, advanced navigation exercises, and emphasizes safety and leadership in the air and on the ground.

## Who Can Attend

Category	Details
Ages	12–16
Camp Size	15–20 campers
Interest	Youth excited about aviation, STEM, and leadership

Each camper receives a discovery flight with a Certified Flight Instructor and a simulator training session, building confidence and sparking a lifelong passion for aviation.

## Tuition and Support

The tuition for each student is \$2,500, but Operation Aviation Foundation is a nonprofit that funds each student through generous donations. Your support helps open the skies to the next generation of aviators and aerospace leaders.

## **Join Us or Get Involved**

We would love your support and participation—whether as a camper, sponsor, or community partner.
